

JOURNAL PAPERS PUBLISHED: (02)

INTERNATIONAL JOURNAL(01)

1. **A Colour Code Algorithm for Signature Recognition** ,Proceedings of International Journal "Electronic Letters on Computer Vision and Image Analysis (ELCVIA)", Bellaterra, Barcelona, Spain ,Paper No: a2005070-1, Volume06, Number01,6(1): 1-12, 2006

NATIONAL JOURNAL(01)

1. **"Smart Sensors & Intelligent Instrumentation, - Neuro Furnace Controller"**, **"Journal of Institute of Engineers (IE) Calcutta"**
Electronics & Telecommunication (Half yearly, National Journal) ISSN 0251-1096 , Issue- July 2004 to Jan 2005,Volume 85 ET, PT-01, Page 15 to18

CONFERENCE PAPERS PRESENTED: (08)

INTERNATIONAL CONFERENCES (01)

1. **A Doctor On World Wide Web: A Bio Medical Internet Application** (15-17 Dec 2002) (Presented at IEEE-ICPWC-2002 International Conference on Personal And Wireless Communication At New Delhi) Sponsored by IEEE AES, Ministry of Comm. & IT, Govt. Of India.

NATIONAL CONFERENCES(07)

1. **Intelligent Neuro Furnace Controller: A Smart Sensor**(Jan 2002)
(Presented At National Conference on Sensors & Instrumentation At ISS College of Information Technology & Engineering For women, Hyderabad.)
2. **Fuzzy Edge Detection For 2-D Images**,(March 2002)
(National Conference On Signals & Systems & Security NCSSS-2002 At PSG College Of Technology, Coimbatore)
3. **Intelligent Air Traffic controller :Neuro Fuzzy Approach**(Dec-2001)
(Presented at Intelligent Computing Kumarguru College of Engineering & Technology, Coimbatore)
4. **Signature Recognition using Colour Code algorithm and Morphology approach**,(Dec 2005)presented at "national conference on Signal Processing and Communications(SPCOM 2005)At sreenidhi College of science and technology, Hyderabad.

5. Efficient Face Recognition Using Iris Recognition, (Dec 2005) presented at "national conference on Signal Processing and Communications (SPCOM 2005)At sreenidhi College of science and technology, Hyderabad.

6. Recognition of Chromosome -18 Abnormalities Using Colour Code Algorithm,(April 2007),Presented at "National Conference on Communications & Signal Processing (NCCSP-2007)" sponsored by **IEEE**, at Thadomal Shahani Engineering College ,Mumbai.

7. Symbolic Prosody Generation for Text to Speech System (TTS), (April 2007), Presented at "National Conference on Communications & Signal Processing (NCCSP-2007)" sponsored by **IEEE**, at Thadomal Shahani Engineering College, Mumbai.
